

ABOUT US

Les Ivans is a circus and theatre company from Buenos Aires, Argentina in full activity since 2005.

We perform shows and playful activities for children from 3 to 12 years old with a message for all members of the family.

Friendship, humour, the investigation of circus techniques and the construction of inventions are fundamental parts in the creation of our shows.

The company has participated in the programming of

Shows available on Tour

"Looking for the Ideal Friend".

Directors: Iván Sirczuk - Iván Zlachevsky

"Doctor Sabelotodus, a scientist of great renown, and Doctor Ignorabus meet in his strange laboratory in search of the formula to create the ideal friend.

Together they share curious inventions, incredible experiments, chemical reactions, levitation machines, amazing balances at heights and instruments created with recycled elements that will make the circus ring: balloons two metres in diameter, juggling with giant test tubes, objects that rotate by centrifugal force and lots and lots of humour!"

Duration:

Short format: 35 minutes

Long format: 55 minutes

"Les Ivans and the Creativity Machine".

Show based on the fascinating illustrations and designs of Rube Goldberg.

Directed by: Gerardo Hochman

"Sabelotodus and Ignorabus, after going through an intense period of work and inventions, decide for different reasons to work developing inventions at the request of the people. They then create a sort of "science on demand" service, which will keep them very busy and will challenge their remarkable ingenuity.
